YOUNG ADULTS WITH CI: WHAT CAN/CAN'T WE REALLY DO WITH A CI?
MONDAY 10TH JUNE 2024

Led by Jehan Daboo and Holly Loach, this one hour conversation will delve into the capabilities and limitations of cochlear implants. We'll debunk common myths and discuss the real life impact on cochlear implant users.

The CIICA CONVERSATION provides a safe place to share your thoughts and experiences with others in a small group of young adult CI users from around the world.

Live captioning will be provided in English and other languages by request.
