

A Voice Since 1979

HLAA has been the leading voice for people with hearing loss representing millions of people with, and at risk of, hearing loss in the U.S.

Information ■ Advocacy ■ 120 Chapters

HLAA Hearing Loss Association of America

Because the comfort of community is more than something you hear.

U.S. Congress

Federal Communications Commission

National Institutes of Health

Food & Drug Administration

Department of Veterans Affairs

Confidence ▪ Empowerment
Independence ▪ Accountability

The future of hearing health and awareness depends on all of us.
