CONTENTS

1. Short rewiew
2. Political instability
3. Our actions and attempts
4. Partial outcomes
5. How do we move forward?

Political instability ~ Romania

Political crisis since 5 mounths and 2 weeks

Romania has been without a government since 5 may 2026 to the present day

Four attempts to form a valid government

1 month
8 days
13 days
5 october

Inter-party and intra-party political conflicts

A show of political strength
A lack of a common goal

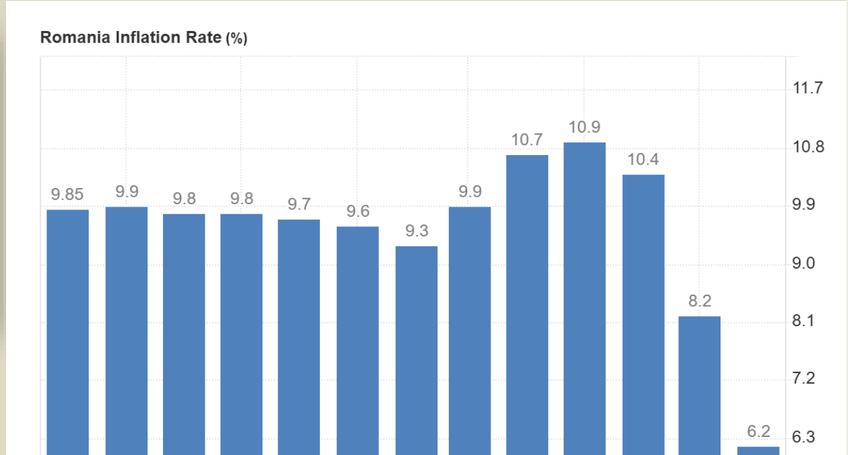

Hight inflation

Declining standard of living

Our actions and attempts

- Conference "National Registry of Cochlear Implants a National Priority" 23rd of April 2024, Bucharest
- Conference " World Hearing Day: Treating and preventing deafness in Romania - achievements and perspectives" 3rd of March 2025, Bucharest
- Request for Audience from the Minister of Health
- Audiences at the Ministry of Health at 30th of April, 2024

  28th of May, 2025

Partial outcomes

- Promise: Romania is going to have National Registry of Cochlear Implants at the end of 2024
- Partner: National Institute of Statistics from Romania
- Concrete debate on the implementation of the Registry with the Ministry of Health and the representative of the Institute of Statistics
- Based on the National Database of Auditory Newborn Screening

How do we move forward?

Time!!!

Child

Mothers

Fathers

Extended family

The right to hear

Thank you for your attention!
